

Mobile Check Deposit FAQs

General Questions:

What is mobile check deposit?

Mobile Check deposit is a service that allows a member to submit a check to CHOICE ONE COMMUNITY FCU (COCFCU) for deposit via their smartphone. This is done by capturing an image of the front and back of the check (via the camera on the device) to be deposited and then submitting the image to COCFCU via the device.

Is mobile check deposit included in the COCFCU mobile app or is there a separate app that must be used?

Mobile check deposit is integrated into the new COCFCU app and can be found under the “Deposit” tab.

Is the COCFCU mobile app required in order to use the service?

Yes. The member must download the COCFCU app to a camera-enabled Apple iOS or Android device. Mobile check deposit is not available via a computer or non-Apple iOS/Android device. The member must be enrolled in Virtual Branch for COCFCU mobile app to work.

Do all members qualify for the service?

Most members will. There are eligibility requirements that must be met at the time that the member submits their enrollment request and that must be maintained in order to qualify for the service. These requirements can change at the sole discretion of COCFCU. Currently, the eligibility requirements are as follows:

- Must be enrolled in Virtual Branch and Choice One Mobile App for smartphones
- Must be a member for 90+ days and 16 years of age or older.
- Member and account must be in good standing.
- All loans must be current.
- The following members will be excluded from eligibility of the criteria above:
 - 3 or more NSF's or Courtesy Pay coverage within the last 3 months.
 - 6 or more NSF's or Courtesy Pay coverage within the last 12 months.

Are there deposit limits and/or check holds for deposits made through mobile check deposit?

Yes. In order to maintain prudent risk standards, limits and hold rules apply and are at the sole discretion of COCFCU. The current daily dollar limit is \$2,000.00 per business day for qualified users. There is no daily or monthly statement cycle limit on the number of items, as long as the respective dollar limits are not exceeded.

Is there a fee for the service?

No. This service is available to our members free of charge; however, we reserve the right to change that at any time.

Enrollment Questions:

How does a member enroll in the service?

Enrollment requests can be submitted using the Virtual Branch email system.

Once a member requests to enroll, how long does it take for COCFCU to approve the enrollment?

It will can take 1 to 5 business days to review.

How will the member be notified of the decision regarding their enrollment request?

Members will receive a secure message back thru the Virtual Branch email system informing them of the decision.

What recourse does the member have if their enrollment request is declined?

The member must work to meet the eligibility requirements and then they can submit a new enrollment request.

If the member is approved, can COCFCU remove/change the functionality at a later time?

Yes. COCFCU reserves the right to remove or change the functionality at any time. COCFCU will periodically review accounts enrolled in mobile check deposit to ensure they are maintaining all eligibility requirements.

Questions about Using the Service

Where does the member go to access the service on their mobile device?

Is the member required to capture an image of the front and back of the check, or just the front?

A clear image of both the front and back of the check must be taken and submitted.

Will the system reject an unclear image?

Yes. The member will then have the option to take the picture again.

What account types can the deposit be made into?

Checking, Savings, or Money Market.

How will the member know that their deposit has been successfully submitted and isn't just floating around in a black hole?

The member will receive a confirmation message upon successful transmission. The member can also view the history of all of their deposits by selecting the "View mobile deposit history" option on the "Deposit" page of the mobile app.

How will the member know if their deposit has been accepted or rejected?

The member can view the history of all of their deposits by selecting the "View mobile deposit history" option on the "Deposit" page of the mobile app. From this section you can view "All", "Accepted", "Pending", or "Failed"

Are funds immediately available after the item has been accepted?

No. Mobile check deposits are subject to holds and at the sole discretion of COCFCU.

How will the member know when the funds have been deposited into their account and available for use?

The member can see all of their transaction history 24/7 through online/mobile banking. They will not receive a specific notification when the deposit has been made and the funds are available.

How long should a member expect to have to wait before their deposit is completed and the funds are available?

Funds should be available within three (3) business days (Monday-Friday, excluding holidays); however, extended holds may be placed on items at the sole discretion of COFCU.

Can a member deposit a check to an account that is in a name other than their own?

Yes. If a member is linked to another account for deposit purposes, they will be able to deposit a check into that linked account, but the check must be made payable to the owner or joint owner of the account to which the check is being deposited into.
